Love at first bite

ABOUT US

We bring the taste of street-style favorites like Frankie, Sandwiches, Burgers, Fries & Waffles into a powerful business opportunity.

Our brand is built to serve high-demand, fast-moving food items with a modern touch, making it a perfect combination of great taste + great business.

With our flexible franchise models, **FOFO** (Franchise Owned Franchise Operated) and **FOCO** (Franchise Owned Company Operated), we give you the freedom to choose how you want to run your business.

Whether you want to actively manage or prefer a hassle-free setup, we have the right model for you.

Har Koi Business Kar Sake, with the right support, right investment & right concept.

VISION

To become India's most trusted and fastest-growing affordable food franchise brand, where anyone can start their own outlet and build a successful business.

We aim to create a network of profitable outlets serving delicious, affordable, and high-quality fast food across every city.

MISSION

- To provide multiple franchise options (FOFO & FOCO) based on different investment levels
- To make food business entry easy, scalable & profitable
- To offer a proven menu (Frankie, Sandwich, Burger, Fries, Waffles) with high demand
- To deliver complete setup, training, and operational support
- To ensure consistent quality, branding & customer experience
- To help our partners achieve fast ROI & long-term growth
